

LIFE OF MOSES

WEEK THREE: EVERY MAN HAS A CALLING

KEY SCRIPTURE: EXODUS 3:1-10

WHAT DO YOU THINK?

1. Have you ever had a spiritual experience that was out of the ordinary?
2. As a group, re-read Exodus 3:1-10. Take a minute to think through this – jot down some notes on your response: What would have been your first three questions for God after he told you to go talk to the Egyptians?
3. What natural abilities and personal connections did Moses have that made him perfect for the job God gave him?
4. Do you have natural abilities and personal connections that set you up well for something to which God has called you?

SO NOW WHAT?

1. Take three minutes and quickly use your phones to look up the definition of a 'calling.' Share with each other what you find.
2. Now divide up these verses and look at what the Bible says about having a 'calling': ([1 Corinthians 1:2](#); [Ephesians 1:18](#); [2 Timothy 1:9](#); [2 Peter 1:10](#)). How is the Biblical definition of a 'calling' different than the ones you looked up on your phone?
3. Thinking through everything we talked about with regards to a 'calling,' what do you think God is calling you to in your life?

PRAYER

If you feel certain that God is calling you to something, write it down. Take it with you. Remember it. Nurture it. Make changes in your life to make it grow.

If you are not sure, ask the other guys in the group where they see you being called to.

Spend some time as a group praying for a solid sense of God's calling in your life.
