

LIFE OF MOSES

WEEK EIGHT: EVERY MAN NEEDS A MENTOR

KEY SCRIPTURE: EXODUS 18:13-23

WHAT DO YOU THINK?

1. Growing up, who was the most influential older person in your life? Your parents, your grandparents, a neighbor, relative, pastor – who held a position of influence in your life and why?
2. As a group, read Exodus 18:13-23. Focusing on Jethro – what does he do for Moses that is so important?
3. Like Moses, are there areas in your life where you are being pulled in too many directions? What is one thing you can hand off to someone else?

SO NOW WHAT?

1. Moses had Jethro to speak into his life. Which three men do you have right now who could speak as directly into your life?
2. Is there someone who is farther down the road in life who you know could speak into your life spiritually? Take a few minutes and brainstorm a list of a few people who could be possible mentors and share them with the group.
3. As a result of your brainstorming and discussion, take group time right now to send a text or email to a possible mentor about meeting to discuss being mentored. You will need some details:
 - Mention in your text that you would like to just discuss the idea of mentorship.
 - In preparation for that meeting, start thinking about the frequency of meetings.
 - Consider the length of meetings, where you would meet, and what book you would work through as you seek wisdom from someone older than you.

PRAYER

Pray that these opportunities of mentoring would happen. Pray that God would lead and guide the relationship.
