Discussion Questions

Question 1: David talked about realizing that he needed to “slow down” to focus on Jesus. Was there a time, either intentionally or unintentionally, where you have slowed down?

Read: John 4:4-30; 39-42

Question 2: The passage you just read is an incredible story of a life being changed by Christ. What stands out to you about this woman’s encounter with Jesus?

Question 3: If you’re honest about your walk with Jesus, where are you in terms of telling your story to someone?

Question 4: Based on that realization, what is your next step in regards to telling your story?

Pray: Read John 3:16. Pray for each other that we can reflect on God’s love for us and share that love with others.
