

HSM SUMMER INTERNSHIP

HSM Summer Internship is for current high school students who love Jesus, have a desire to grow, and who are passionate about Student Ministry. You'll be part of a team that prepares for and serves at Wildfire, plans and executes The 72 kickoff, and assists with other weekly ministry opportunities.

In the program, you'll be developed spiritually and personally through book discussions, personality assessments, and one-on-one mentoring with Central Student Ministry Staff. Our Staff's goal through this internship is to give you an opportunity to grow in both your relationship with Christ and your leadership abilities.
