NICE WEATHER FOR WEEK 2

After a long layoff, KC Blueballs enjoyed nice weather at the fields! The temperature hovered in the mid 70s with a strong breeze out of the south. It was a pleasant change from the last month which saw: rain, snow, sleet, and a day of single digit wind chills. It is the league's official position to blame the scientists who researched global climate change claiming it was a possibility but never knocked on wood.

KOOZIES

I still have koozies for pick and for sale! We have 4 colors available. They are \$2 at the field. All proceeds go towards the tip for bartenders at Johnny Kaw's at the playoff party!

2018 Spring KC Blueballs Power Rankings

1. Fresh Kicks of Ball-Air (4-0) – You can't argue against 4-0
2. The Bolos (3-1) – Their defense didn't show up last week.
3. I'd Kick That (3-1) – They're starting to look like the team that won a kajillion straight
4. Wii Not Fit (3-1) – They've big some big leagues that give them a fighter's shot in any game
5. Thunderstruck (4-0) – They seem to be an offensive juggernaut averaging 14 runs per game.
6. ~~The Kicktators~~ The Ball-Barians(2-2) – The name change could help? WTF, Hoffman?
7. Balls and Dolls (2-2) – They held a good Fresh Kicks team to 4 runs but they struggled for offense in the cold
8. Amazeballs (3-1) – Offensively they are hot, but they lack their usual tough defense.
9. UPS Bombers (1-3) – The record is not indicative of Talent. This team is just a few runs off being 4-0
10. Dollz & Ballz (2-2) – The Spring '17 rec champs haven't quite regained form, but they are close.

On The Bubble –Your Pitch Makes My Kick hard (2-2), Slappin' Da Base (3-1), Drinkers with a kicking Problem (3-1), Spaceballz (1-3)
