AMAZEBALLS BLANKS THUNDERSTRUCK

Our game of the week, on paper, looked like two offensive juggernauts would light up the scoreboard. Both Amazeballs and Thunderstruck were averaging close to 16 runs a game coming into the game. Amber – pitcher, Amazeballs, allowed no runs as Amazeballs won 4-0. Amazeballs defensively looked solid led by star fielders Trinity and Matt. Thunderstruck was without some key players, the Summervilles. They were helped by the absence of notorious douceh, Issac. Fuck Isaac.

FRIENDLY KICKBALL TIPS FROM THE COMMISH

- Don’t straddle 2nd base with your feet and put yourself in position to get hurt when teams slide.
- To avoid collisions, don’t block the basepath if you don’t have the ball.
- The orange safety base is for the kickers. First basemen – that is their path!
- Drink plenty of water to stay hydrated as well as your favorite adult beverages
- Stretch before AND after games

Schedule Change

We have moved some games around to better accomodate teams and competitive play.

Please note that the postponed week 2 will be played This week – May 13th

Week 5 will be played as normal on May 20th

Week 6 will be played on May 27th – These are all inter division games that do not count against your playoff seeding.

KCBB Game of the Week

Thunderstruck (2-0) @ Amazeballs! (2-0)

Field 2 @ 12:00pm

Both teams are 2-0 with dynamic offenses.

Thunderstruck brought in 31 runs and Amazeballs 27 runs in week 1 play. Both teams have players with big legs, and these two teams are capable of hitting the deep ball at any time.

REMINDER – Shirts and Subs

- We need to do a better job WEARING YOUR SHIRTS at the field. These are your “receipt” for paying.
- It makes it hard for the opposing teams when you are not wearing your shirt!
- If you need subs, please try to get them to wear a similar colored shirt or use the shirts of players who will not be there.
- Reminder – We allow ANY player who has paid to play on other teams as a sub.
- You can not use subs IN THE FIELD if you have a full team; you must utilize your players first then fill subs where needed. (**example** – if you have 8 able bodied players present and pick up 4 subs only 2 subs can play in the field. All 4 subs can kick)

2018 Spring KC Blueballs Power Rankings

1. Fresh Kicks of Ball-Air (5-1) – Giving up just 3 runs a game and averaging 7. Tough one run loss today doesn't change their ranking.
2. The Bolos (4-1) – Beat their rival today 9-3, but they got blanked by ~~The Kicktators~~ The Ball-Barians
3. I'd Kick That (4-2) – 0-2 against The Bolos this season. They're playing down a few players until playoff time
4. Wii Not Fit (4-2) – Big legs and tough defense today played a part in their big win over Fresh Kicks. Reid is doing his best work as Captain...finally.
5. Tequila Mockingbirds (3-3) – Two huge wins today put them back at .500 and in striking distance of taking over as #1 in their division
6. Amazeballs (5-1) – Big win over Thunderstruck today puts them on top – no pun intended – of their opponents
7. ~~The Kicktators~~ The Ball-Barians(3-3) – I bet if the drank before every game they'd be undefeated. The hour break (drinking time) gave them an advantage of the Elite Bolos.
8. Thunderstruck (5-1) – They played down a few players today, but they still are a tough team. Fuck Isaac.
9. Your Pitch Makes My Kick hard (4-2) – Moving up to #8 is Your Pitch. They finally had their full team at the park, and they looked good today scoring 34 runs and only giving up 4.
10. Slappin' Da Base (5-1) – Sneaking up the rankings. 11 runs for and only 4.3 against. Their division's top team is putting it together at the right time.
On The Bubble – Balls and Dolls (3-2-1), Dollz & Ballz (3-3), Kickin' Ain't Easy (4-2)

Way Too Early Playoff and Award Predictions

Westport Division Champs: The Bolos- They are 4-2 with 2 huge wins over I'd Kick That. Elite Defense

Waldo Division Champs: Fresh Kicks of Ball-Air – 5-1 record and they're getting better every week

PNL Division Champs: Amazeballs – They have a dominant offense and they love all positions

Plaza Division Champs: Kickin' Ain't Easy - Averaging almost 14 runs a game; 2 losses were forfeits

Recreational Tourney Champs – Your Pitch Makes My Kick Hard – They're a solid team, and they're slowly starting to get as their finally showing up to the field in full force

Competitive Tourney 2nd Place: Fresh Kicks of Ball-Air: I think they're still a season away from taking over as our newest champs.

Competitive Tourney Champs Champions: I'd Kick That- I can't pick against them. 7 straight. It's going to be 8.

Team Spirit: Kickin' Da Habit – I've heard rumors of a "drag-out" game. They party every week!

Mark Calandro Trash Talker: Slim Charles (Drinkers With A Kicking Problem) The dude never shuts the hell up.

Matt Hess MVP: Chris B (The Bolos) – He's the best overall player in the league. Win or lose.

Emily Thorpe MVG: Kelsey C(Your Pitch....) – She's the real deal. She's a dark horse for overall MVP.

Guillermo Lopez Team Captain Award: Nilo F(I'd Kick That) If I'd Kick That can pull this off this season then he deserves it without a doubt for putting this team together.
