2018 SPRING – INTRODUCING INTERDIVISION PLAY

The commissioner is excited to introduce the first ever season of KC Blueballs with interdivision play. The two intermediate teams will play each division opponent twice, and they will match up against 4 teams from the other intermediate division in weeks 5 and 6. The Recreational and Novice division will also play everyone in their division twice before playing their 2 interdivision games in week 6. This gives each team a break from playing the same teams.

ARE WE READY FOR A “FRESH” CHAMPION?

We have some good teams signed up this Spring, however there is a team that is really standing out in my mind. The Fresh Kicks of Ball-Air look to be an early championship favorite. I usually don't believe that teams in their 2nd season are ready for the big team; Fresh Kicks may be the exception. They combine speed, power, and hustle, and they are clearly a formidable opponent for any team. Fresh Kicks does have competition in their league – Spaceballz, Balls and Dolls, Wii Not Fit, and Slanging Peters are all high quality teams. They also match up against The Bolos and I'd Kick that in the interdivision play. We should have two fun divisional races and an awesome upper team playoff.

KCBB Game of the Week

I'd Kick That @ The Bolos

Field 4 @ 2:00pm

How could this not be the G.O.W? This is a rematch of our Fall Championship game. They split the entire series 2-2 last year (Bolos 2-1 in regular season). Even with I'd Kick That losing some key players I still think this game will be intense and hard fought. This is one of the best rivalries we have ever had.

2018 Spring KC Blueballs Preseason Power Rankings

1. The Bolos – they stocked up on talent, experience and hunger for another title
2. Fresh Kicks of Ball-Air – they lack experience but they bring SPEED
3. I'd Kick That – the war of attrition begins as they start getting married and having babies. Can they hold on?
4. Spaceballz – always a consistent team that seems to fizzle out in the playoffs. Is this their year?
5. Tequila Mockingbirds – This team is a roller coaster. Sometimes they are elite; sometimes they are garbage
6. Balls and Dolls – Jason D. always puts together a team with “experience”
7. Slanging Peters – great talent, but sometimes the alcohol takes hold too quick
8. The Kicktators – They play better while drunk
9. Wii Not Fit – They'll drink a lot. Nick will be loud, and hopefully we can make Reid into another meme.
10. UPS Bombers – Tommy always brings out a fun and competitive team. Bring on the grill masters
11. Dollz & Balls – Won the 2017 Spring Rec playoffs.
12. Amazeballs – lots of talent. Lots of pizzazz and lots of bubbles
13. Your Pitch – It seems like their 2016 Spring championship was a long time ago.
14. Thunderstruck – Replacing Isaac as captain was a good choice for the organization
15. Kick'n Da Habit – A new team with some experienced players.
16. Hotdogs and Tacos – Tony A is back with a new team looking to dominate
17. Drinkers with a kicking problem – merging with Kickaholics(former KC Azul) brings in talent!
18. Slappin' Da Base – a fiery team looking to claim the rec crown
19. Where My Pitches at? – They've got a good chance to win the rec league
20. Kicks are for Kids – back for another season. Do they have the bullhorn?
21. Ballz Deep – new team. I don't know these cats?
22. Kickin' Ain't Easy – New team. No idea who they are?
