

# Little Hawks Baseball Club

## **For players...Little Hawks Baseball is about...**

1. Playing good, fundamental baseball. Winning is the result...not the emphasis.
2. Following the rules, wearing our hats straight, tucking in our shirts, and representing the Little Hawks with class.
3. Taking the game seriously, but we have fun.
4. Striving for constant improvement. We can always do it better...having the humility to realize that. Learning from our losses and errors.
5. Always displaying good sportsmanship, having no public display of poor sportsmanship.
6. Taking pride in our club, supporting all other Little Hawks teams and our high school teams.
7. Communicating effectively and respectfully with coaches, players, and parents.
8. Providing quality and safe equipment while making participation as affordable as possible.
9. Enjoying everything about the game of baseball!

## **For parents...Little Hawks Baseball is about...**

1. Do not coach from the stands. No parents in the dugout.
2. Be respectful to the opposing team. Always display good sportsmanship. Set a good example for the boys.
3. No alcohol at our youth sports events.
4. Do not criticize the coaches. Just let them coach.
5. Do not criticize the umpires. They are doing their best, and won't be perfect.
6. Work with your boy at home to help him improve.
7. If you have a question for the coach, address it at an appropriate time.
8. Get involved. Help get sponsors, coordinate refreshments, plan a team social event, or anything else to help make the season fun!
9. Enjoy this time with your baseball player. They grow up so fast!
