**Coronavirus disease 2019 (COVID-19)** is a respiratory illness caused by a virus called SARS-CoV-2. Our understanding of how the virus spreads is evolving as we learn more about it, so check the [CDC website](#) for the latest information and current list of [symptoms](#). The virus is thought to spread mainly from person to person:

- Between people who are [in close contact with one another \(within about 6 feet\)](#).
- Through respiratory droplets produced when an infected person coughs, sneezes, or talks.

Recent studies indicate that the virus can be spread by people who are not showing symptoms. It may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or possibly their eyes. This is not thought to be the main way the virus spreads, but we are still learning more about this virus.

*\*\*Signature required for all players prior to playing/practicing at the Village of Wellington Gym.*

Due to the 2019-2020 outbreak of the novel Coronavirus (COVID-19), Wellington Travel Basketball Association is taking extra precautions to prevent the spread of COVID-19.

### **Common symptoms of COVID-19 may include:**

- Fever
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Muscle pain
- New loss of taste or smell
- Sore throat

### **In order to prevent the spread of COVID-19, the following has been implemented:**

- Hand washing/disinfecting is required upon arrival and prior to leaving.
- Players are required to bring their own alcohol-based hand sanitizers or wipes containing at least 60% alcohol.
- Players are required to frequently disinfect their hands regularly during practice.
- Players must bring their own water/drink as no use of water fountains is allowed.
- Parents/siblings are prohibited from being inside the gym. Car drop off of players is the preferred over walking the player up to the gym assigned entry point. Social distancing will be required if a player is walked up the entry point of the gym.
- Entry points of the gym shall be on the side roundabout that only has access to GYM 1 and we will have one way in and out of the building. The main entrance and lobby will be a restricted area and shall not be a means to enter the assigned gym.

- Parents must be ON TIME for pick up after practice. You can wait in the parking lot until your child goes out.
- All surfaces must be disinfected before and after each practice by the practicing team.
- Allow 20-30 minutes between practices for AC circulation if negative and positive fresh air is not possible.
- Temperature check will be taken for each player attending at the start of each practice.
- If a child has a temperature of 99.5 degrees or greater they will not be able to practice and must be taken home immediately.
- Player must bring their own mask for bathroom use. Players are required to wear their masks prior to entering the bathroom. Players must disinfect after use.
- Coaches have the option to have social distancing practices to avoid face to face transmissions if there are possible community cases within the facility or the Wolves Organization or any other reason to minimize community spreading.
- Practice will be cancelled if the AC system is not working.
- The 1 team per court rule shall apply. Scrimmages with other teams are prohibited.
- Only the teams that have practice are allowed in the gym. Coaches MUST make sure that practice ends on time to allow time for their team to sanitize for the next team and exit safely and the other team to enter.

***By signing this agreement, I attest to each of the following states and release Wellington Travel Basketball Association and the Village of Wellington from any and all liability for the unintentional exposure or harm due to COVID-19.***
