★ Competition Camps ★

For Advanced Players Travel, AAU & School Team Members

Shooting Stars Competition Camp is a week of intense basketball designed to both accommodate and challenge Ohio's top young players. Players entering grades 5-10 in the fall of 2019 are eligible to participate. All who wish to participate should possess a "High Level of Skill" for your respective age and be fit enough to play in two games daily, team tournaments, i.e. 3x3, and individual contests. Those hoping to develop their game will benefit from our outstanding staff, demanding schedule, and most importantly, other "good" players just like yourself. If you have aspirations of being the best, I hope you'll join us as we enter our 27th year, now Ohio's #1 attended youth basketball program. More than 44,000 players have participated in our leagues, AAU teams, and camps.

I accept full responsibility for any injury to my child during the camp's activities.

(Parent or Guardian Signature)

Shooting Stars Basketball Camp, established in 1992 has earned the reputation as Ohio's #1 year round youth basketball program. Our fundamental skills camps are praised by parents and players alike for the outstanding instructors, variety of activity and quality of play. A typical day includes offensive, defensive and team stations, full court games, Hot-Shot Contest, one on one tournament and 3 on 3 play. In addition, all teaching is performed in a positive way which attempts to increase each player's self-confidence both on and off the court.

Shooting Star's Head Basketball Coach, Chris Marciniak is one of America's most experienced and respected camp directors. During the past twenty-six years as a camp director, Coach Marciniak has helped develop the talent of over 44,000 players from 25 different states as well as participants from England, Japan and Canada. As a high school coach, licensed official and player, Coach Marciniak provides expert skill instruction, a better understanding of the rules, and important explanations regarding basketball terminology. Shooting Stars Camp policy has always been to enforce an equal playing time rule for all participants. Furthermore, advanced players within an age group are kept together so they can benefit from strong competition. Meanwhile, those with less experience in that same division will play together and benefit by gaining confidence as their game develops and their self-esteem improves.

The overwhelming positive response marked by excitement, competition and individual improvement has made Shooting Stars Ohio's #1 youth basketball program.

ASSISTANT CAMP DIRECTOR/ LEAD INSTRUCTOR

Chad Bever

A former Shooting Stars camper himself, Chad Bever has coached basketball for the last 15 years at Coventry, Wooster, and Rittman high schools. For the past 5 years, Chad was the varsity coach at Rittman High School where he guided the Indians to a 21-win season (2nd most in school history), their first WCAL title in

25 years, and a district championship and regional appearance. In addition to being selected as league and district coach of the year, Chad was also selected as the 2018 Division IV State coach of the year. Chad currently teaches English at Wooster High School.

Shooting Stars Basketball Camp
