

## **Partner Hotels**

The Connecticut Sportsplex has partnered with area hotels to provide a simple, easy lodging experience where our teams can enjoy low rates, variety of room styles, and personal interaction with staff. If your program and/or team is coming from 100 miles away or farther, you will need to report what hotel your team is staying in. Please research and call the hotel of your liking for more information regarding rates, room type, total number of rooms, etc.
