

Name of business,

The Eagle Lacrosse Club started in 2009, with the idea of providing an athletic opportunity to the greater Dover community with the chance to play the fast and exciting sport of lacrosse. Eagle Lacrosse Club is a non-profit organization that utilizes the sport of lacrosse to strengthen the honesty, respect and integrity of the youth community, both on and off the field. Not only are our players enjoying the sport of lacrosse, but they are also learning many valuable life lessons.

Dover Area School District was one of the few school districts in the area, not to have lacrosse as a high school sport. The Eagle Lacrosse Club has been lobbying for lacrosse to be added to the school since the start of the club. After several years of trying, Eagle Lacrosse Club succeeded in getting the Dover School Board to agree to add lacrosse as a high school sport starting next season. However, with the Dover School Board agreeing to add lacrosse to the high school, our Lacrosse club will be contributing a significant amount of money to the school. This money will go towards helping fund the startup of the high school lacrosse program. This investment to the high school from our club will leave us with very little operating capital that is needed to run the program, which provides the youth of Dover the ability to learn and play lacrosse.

We want to keep growing and keep the club as "fee" friendly as possible, as well as be in a position to help any children/parents that are having financial hardships. It is not the wishes of the club to make it increasingly difficult on the children's parents by raising the registration fee. Our expenses for the upcoming season are just under 17K. The Eagle Lacrosse club is confident that they will receive contributions from caring businesses like (business name), to help keep our clubs registration fees feasible for the kids/parents.

Respectfully, the Eagle Lacrosse Club would like to challenge you to invest in today's youth by contributing to the Dover Eagles Lacrosse Club. If your business is in a position to make a contribution to youth sports, we hope you'll consider Eagle Lacrosse as a worthy venture. Financial contributions should be made payable to Eagle Lacrosse Club and can be mailed to Jesse Parks

522 Oakwood Drive Dover PA 17315

Please visit www.eaglelacrosseclub.com to keep tabs on us! Thank you, in advance, for the consideration.

Sincerely,

ELC Board of Directors

Eagle Lacrosse Club EIN # 27-3906364
