

FAQs

- **Can my child play on a team with their friends on Friday game nights?** Yes. Should your child have a group of friends they would like to play on a team with, then we can accommodate up to three friends on a team together (your child and two of their friends).
- **Do the kids get jerseys to wear for game night and can we pick our number?** Your child will receive a PlayFirst t-shirt, however we will not have jerseys with a number on the back. During this fall session, players will wear game pennies to distinguish between teams.
- **What should my child bring to training and games?**
Shinguards, soccer ball, something to drink. Please no jewelry (earrings, necklaces, bracelets).
- **What happens in the case of inclement weather?** If we hear of threats of inclement weather on training and game days, we will make a decision about whether to hold that night's session or not no sooner than 4pm so you can arrange your schedule accordingly. While we prefer to have zero cancellations during the 8 week program, our top priority is your child's safety and for them to have a positive experience. If there's a possibility of the weather jeopardizing either one of those priorities, then we will cancel that evening's session.

In the case of a cancellation, we will contact you via email so please make sure to check your email prior to attending PlayFirst sessions. In addition to email, we may also notify you via text message according to the mobile number you provide on the registration form.

Makeup days may extend the season if inclement weather causes cancellations.

- **Who do I contact if I have additional questions or concerns?** You may contact the PlayFirst Program Director, Coach Dave Fernandez, either by email or phone and speak with him directly: dfernandez@sportportintl.com or call 618-974-8471 .
