2. Purpose of the Program

- a. The purpose of this 1-weekend event is to expose participants to play with other Elite players from around the Southeast and Central Regions and to begin putting players on a path to be monitored for possible AAA play down the road. Each player and their family will get to know what TPH is about, meet new hockey friends and compete for a weekend at a high level in an effort to advance their play.

3. What happens next?

- a. From the Top 40/50 weekend, some players will be selected for the AAA Prospects program (see below for details on the AAA program).
- b. Additionally, we will have a TPH AA Spring Prospects program for the 2008, 2009 and 2010 birth years. All these birth year players invited to the Top 40/50 program that are not selected for a AAA team will be offered a spot for their region's TPH AA team (see further below for details on the AA program).

4. How do players get invited?

- a. TPH requests recommendations from local hockey coaches and directors for players that would be a good fit for this program
- b. If you are interested in getting an invite, [CLICK HERE](#) to submit your player's information.
