

MJBL COVID-19 Protocols

- Head coaches are required to administer temperature checks before players or coaches into the field. Those who have temperatures or don't feel well will be sent home.
- Any player or coach who has tested positive for Covid-19 or have come in close contact with an individual that has COVID-19 will not be permitted back on the field until he receives a negative test.
- Head coaches will receive a copy of these rules. They will sign a document to agree to monitor their players for compliance.
- Players will wear a mask while in the dugout.
- While on the field, players are social distancing masks will be optional.
- Coaches will advise players to maintain social distance while in the dugout. Players who are not scheduled to bat during the inning may sit on outside bleacher if possible)
- Attendance will be limited to two spectators per player or the maximum number permitted at outdoor events by the local health department in your state/country.
- Coaches will bring hand sanitizers and Clorox wipes so players can sanitize hands prior to the start of practice or games and after the activity.
- First Aid kits will be brought to the field by coaches.
- Players or coaches must bring their own bottled water or sports drink so each person will have their own individual bottle. There will be no sharing of beverages.
- No food will be allowed in the dugout.
- Coaches will sanitize game baseballs after each half-inning and periodically during practice.
- Each player must have his own glove or a glove will be issued to him for the season.
- Shared equipment and common touchpoints to include baseballs, bats and catcher's equipment, will be wiped down with Clorox wipes. However, we will encourage equipment not to be shared.
- Game time or post-game congratulatory gestures that require physical contact are prohibited (ie. handshakes, high fives, celebrations, ect.)

- All players and coaches must wear a mask and windows must be open while being transported in a MJBL vehicle or by MJBL personnel.
- No eating of food while being transported in a MJBL vehicle or by MJBL personnel.
- Players and coaches will wear mask and adhere to various state / country health departments COVID-19 guidelines during baseball or softball tournaments when your team is not playing (ie. Hotels, entertainment venues, eateries ect.).
