- The Player is required to play for the team that they are selected for, and
- The Player and the Parent acknowledge that play may be limited based on the skill level of the Player and such amount of play will be solely determined by the head coach of the team. (for Mosquito and Tadpole divisions; in accordance with fair play rules) ; and

- The costs of participating in summer ball vary depending on tournament fees, uniform costs, locations of zones and or provincials, and fundraising activities.
