

2019 NMBA Sponsorship Program

NMBA has been running baseball programs for boys and girls from the ages of 5 – 18 since 1965 (62yrs). Each year a group of dedicated volunteer board members, coaches, field crews and others work hard to provide safe, fun and affordable baseball opportunities to recreational and competitive players.

We are asking for your support to help us reach our financial goals to pay for equipment, uniforms, fields and coach/player development.

Below you will find our sponsorship opportunities for 2019 but know we are also willing to work with you and your business to find a sponsorship package that works for your budget.
