Meeting adjourned at 9:42 PM

The Plainview Little League is a not-for-profit organization that provides children of varying abilities within the Plainview-Old Bethpage Community, from the ages of 4-years-old and up the opportunity to properly learn and play the game of baseball and softball. The Plainview Little League provides intramural programs in the spring and fall, camp in the summer, a year round travel program, as well as a Challenger Baseball Program for children of all ages with special needs.

Our goal is to provide the best possible little league experience for the children of Plainview-Old Bethpage community by providing a healthy environment for all abilities. This environment focuses on encouraging participation, developing character

and discipline, promoting teamwork and fair play, and advocating citizenship and community pride.

We accomplish this by focusing on player and coach development, providing superior communication, and creating a level playing field where all children can compete, have fun and foster a love of the game of baseball and softball.
