Meeting called to order at 8:46 pm

June minutes accepted Kettner/Wind

Next Board meeting: 8/1/19

Next E-board meeting: 7/25/19

New Business

- Town update (Bocian for Riegler)
 - Fields usage - discussed using Parkway as an option
 - Haypath
 - Shed must be removed as per the town. Wind will make a phone call to see if he can have somebody take it out of there. This shed was donated to the town.
- Travel team /Williamsport team Update (Bogaty)
 - 2 teams are still in Williamsport 10U and 11U
 - Managing two teams and balancing children on two teams in not ideal. Everybody is playing a lot of baseball, but this is not an ideal situation in terms of scheduling, and making sure everybody is getting what they need.
 - The board will have a mandatory meeting on September 19 at 8PM which will be dedicated to the travel program, ages, tryouts, and a plan for next year. All board members are required to attend.
- BBQ review (Argentina)
 - Great response, people seemed very happy to be there. We should do this again next year, and make it even better.
- Welcome Stu Glass to the board

- Opening day for fall is September 7th.
- Equipment (Dyszel)
 - Working on getting distribution dates
 - Trophies will need to be gotten
 - Josh will speak to people joining the equipment committee, replacing the people who have left the board
- Uniform for Fall
 - This is being worked on. Traditionally fall consists of a shirt and hat, no pants.
- Fall Rules (Getz)
 - Looking to combine grades differently, based on registration numbers.
 - Grades 2&3, 4&5, 6&7
- Looking to make changes to the fall program
 - Ari is speaking with Dennis about options - will have a report for next meeting, will email before if needed
 - Is doing tournaments an option
 - Can we make it more instructional for the younger grades?
- Haypath Back - not playable (Dyszel)
 - The town is looking into this problem

Reports/Updates

- Registration (Cucuzza)
 - Fall registration is open for both Intramural and interleague.
- Treasurer (Fins)
 - Travel teams paid when they accepted, so we have collected their money considerably faster this year than in years past. Money is starting to come in from the fall registrations

Meeting adjourned at 10:02 PM
