

Danielle Wolfe

Email: Dswolfe30.RS@gmail.com

Danielle played collegiate volleyball at Northwestern State University. She knew she wanted to continue to be involved with volleyball by coaching. She has been coaching for over 15 years in the Baton Rouge area. Danielle has been coaching 10+ years at Red Storm. She enjoys teaching the fundamentals of the game and is passionate about positively mentoring young women through the sport. She loves getting to see her players use the skills they learn in the gym in their life as well. She has two daughters who play for Red Storm. Red Storm to Danielle is more than just a team or receiving a jersey but it is a volleyball family of other coaches and players who want to see athletes succeed and share the same passions as she does.
