

Kelsi Richard

Email: KelsiR.RS@gmail.com

Kelsi is entering her 9th season coaching with Red Storm and has over 10 years of total coaching experience. That experience spans from coaching middle school volleyball, assistant coaching at VBR to being an Assistant Coach for University High (GO CUBS!). During her time with Red Storm, she has coached various age groups from 13 elite to 18 elite and coached at several camps with Team Sportsplex. Kelsi's passion for coaching comes from her experiences as a player and the lasting impact that her coaches had on her. They instilled valuable characteristics of a leader, a drive for excellence and a joy in competition. All things she hopes to pass on to her players. Kelsi welcomed her own little volleyball player, Vivian, in April 2020. Her favorite scripture is Romans 8:28, she loves Chick-Fil-a lemonade and smiling.
