

**FWSA Field Cheat Sheet** If there are any problems when you arrive at the field, call or text Suzanne Samuels, 703-728-0679.

**Lights Pine Ridge 4, 6, Wakefield & now Woodson Aux** - The lights are programmed remotely, but can be turned on and off at the field. If they are not on, they will need to be turned on at the light control box.

**Light control locations:**

Pine Ridge #4: on the green electrical box toward the baseball field.

Pine Ridge #6: outside the fence to the left of the field when looking from the parking lot.

Wakefield #5: near side of field toward the tennis courts

Woodson Aux: on green electrical box by gate to the stadium

Press and hold the button for a second, you will hear a "click". Do not press the button more than once, if you do it will take another 15 min. to reset. If the lights get turned off for some reason the light will have to cool off (about 15 min.) before they can turn back on. If you have the early game and there is no game after yours on that field, please turn the lights off. If you are unsure, the referee should know.

Pine Ridge #4 only, I have provided a lock that can be used to lock the light box. I have attached the lock to the side of the bleachers the combination is **7 D 7**. After closing the box, squeeze the handle to expose the hole for the lock. Slide lock through the hole. **YOU MUST REMOVE THE LOCK AFTER THE GAME, AND REPLACE IT ON THE BLEACHERS.**

**Woodson Auxiliary Field (Turf) -**

**Front gate** combination- **5025**. Upper left-most lockbox on fence by gate

**Goals** labeled BRYC- combo **8560**

**Blue equipment box** is **5025**, same as the combo to the gate lockbox. Flags, bases, and sandbags are to be stored inside

**Woodson Stadium Turf & East Bermuda grass field:**

**1997** is the combo for blue equipment shed, located on Woodson's East Bermuda grass field. Sandbags, wagon, turf & grass corner flags are inside that shed. Inside the shed is a lockbox hanging off shelves, combo = **1810**. The key inside unlocks goals stored against the fence line. Those goals are used for games on the East Bermuda grass field.

**Stadium Goals- 0806** is the lock combo to BRYC's full-sized goals w/ wheels, stored at Woodson stadium, near the scoreboard. Look for "BRYC" stickers on the posts of our goals.
