

Support like yours is essential to the success of our mission!

The mission of Vortex Volleyball Club is to provide a positive, competitive youth volleyball experience for each athlete, parent and coach. We emphasize long term player development of physical, mental, emotional and social skills. While winning is an absolute priority in club volleyball, winning will not be placed above good sportsmanship.

DONATIONS: We welcome donations of any size and thank you for your generosity! These donations are what allow us to reduce the overall club dues for each player. Donations help offset the cost of gym rental, uniforms, tournament entry fees and equipment allowing us to tap into talented, athletic youth whose families may or may not be able to afford traditional club costs.

Donations over \$250 will receive a letter from Vortex Volleyball Club with its FEIN and donation amount for tax deduction purposes. Donations go towards the club as a whole and cannot be allocated specifically to any one athlete.

SPONSORSHIP: Sponsors have the benefit of supporting Vortex while allocating their funds to a specific athlete. Sponsor funds go towards one athlete's dues to help cover a portion or all of their expenses during club season. Dues cover the cost of gym rental, uniforms, tournament entry fees and equipment. Sponsorships do not qualify for a tax deduction. Instead we reward you with your Business logo added to our Sponsor Page and a shout out on our social media pages; both Facebook and Instagram. If you choose to sponsor an athlete in full we will also include a special thank you gift including a picture of your sponsored athlete to display in your business.

Vortex Volleyball Club is an authorized 501(c)3 non-profit organization operating under the Amateur Athletic Unions (AAU) non-profit umbrella. This means any donation made to Vortex Volleyball Club is tax deductible.

***If 501(c)3 status validation is needed before a donation is given please notify us directly. We will have to submit a form with the requesting company's contact information to the AAU. They will send the necessary documentation to the requesting company within 24-48 hours.
