

MISS SOONER STATE SOFTBALL ASSOCIATION 2018

Thank you for your interest in becoming *Miss Sooner State Softball Association (SSSA)*. All funds raised during this pageant will go directly to the Sooner State Softball Association.

This pageant is owned and operated by the SSSA Board of Directors.

ENTRY FEE

There is no entry fee for the Miss Sooner State Softball pageant.

CATEGORIES

CREATIVE WEAR (Creative Outfit/Costume that promotes the theme of the Pageant)

Total of 50 Points

This category will be the first judged category and it is up to you as to what you consider creative. This is essentially the presentation category, so it's your first impression to the judge's.

ON-STAGE QUESTION & ANSWER

Total of 100 Points

Each contestant will answer an interview-style question on stage. You will draw a random question and the question will be read to you during the presentation category. This is your opportunity to address the judges and to answer your question.

FORMAL WEAR

Total of 150 Points

This is the evening gown or "Sunday Best" category of the pageant. This is the time to shine and show off the Diva inside of you. There are no specific requirements defining Formal Wear.

TALENT

Total of 200 Points

This is the talent portion of the pageant and your chance to showcase your special talent. Talent can be as simple as singing, dancing, or a mix. Remember, talent is individually judged, so originality is the key. This pageant is a softball league promotion, so any chance to incorporate a softball theme should be taken. You will have between 5 to 7 minutes including set-up and off staging for the talent category.

FUNDRAISING

This pageant is a direct fundraiser for the Sooner State Softball Association. Any money (cash, checks, or credit card donations) turned in (paid in full) at or before registration will be counted as 1 point per \$5 received. Any monies earned during the contest will be counted as 1 point per \$10 received. *The early bird gets the points!*

Fundraising can be conducted through SSSA-sponsored or associated events where the contestant participates and turns in money earned in his/her name, through individual donations to a contestant outside of a formalized event, or raised with an auction item provided by the contestant to be raffled during his/her Formal Wear pageant segment.

Additional Fundraising Guidelines

Funds must be turned in to one of the event producers immediately following any public event or advertised event open to the public listing SSSA with logo or verbiage. In the event a producer cannot be present, an alternate can be chosen prior to the event with approval. A written receipt will be given to the contestant, which can be brought to the contest auditor on **April 22, 2018** for verification of money raised. Private fundraisers not open to the public or money given to a contestant directly may be turned in at any time. Again, money turned in before the pageant date will receive more points.
