# Notes For 2022

- (1) As in the past, the season for all age groups 14 and up will be extended into July. Because of scheduling nightmares in the older age groups driven by the Maryland High School tournament, we will start the league for all divisions 14 and older a little later in May and will extend the season to mid-July. We will not schedule games for Memorial Day weekend or the weekend of July 4<sup>th</sup> to allow teams the opportunity to attend outside tournament should they desire. This will allow us to schedule more games with more flexibility.
- (2) M.A.B.A. will continue to ask for a forfeit bond of \$125.00 (paid in addition to the league fee). We have done everything possible to avoid having to collect a forfeit bond in the past however many of our members that have been burned by someone else forfeiting a game have rightfully asked us to require a bond. While the number of teams that have declared forfeits in the past are minimal, the fact that forfeits skew the standings, offer another team a win without using a pitcher and take away a scheduled game from an innocent team dictates that it has become necessary. The Forfeit Bond will be refunded to all teams that play within the rule set following the season. If desired, it can be applied to fall ball registration or used toward the following years forfeit bond. If a team forfeits a game then they lose the forfeit bond and will be required to replace the bond before they will be allowed to continue play. Payment for the bond can be made by the same check as the registration fee.
- (3) M.A.B.A. will continue to utilize electronic Form Registration. You can now enter your data, send in your

form and print the form to send in with your payment electronically. This should eliminate many errors caused by having to transfer information to several databases and eliminate forms that we cannot read due to handwriting.

- (4) The days of play will continue to be the same as 2022, labeled above.
- (5) For 2022 M.A.B.A. will put a limit of 16 on the number of players to be rostered on any one team.
- (6) In 2022, no changes to the base rule sets, the ON-Field Rules or the Policies and Procedures will be allowed at the pre-game meeting.
- (7) Intentional Walks - 12U & under simply declare the IBB and hitter takes first. 13U & Up -pitcher must deliver 4 pitches.
- (8) As in previous seasons, M.A.B.A. will require players to have Government issued photo ID @ EACH GAME to display to game official. This will eliminate any chance of illegal players. Any DMV location (including express can provide the ID.) No Birth Certificates are Required.
- (9) When there is a “Excessive heat advisory” – M.A.B.A. will mandate a 2-game maximum for a day.
- (10) M.A.B.A. will now utilize a straight double elimination random draw tournament format. The standings will have no bearing on the tournament seedings, we want to keep the events as an added benefit for participation in the league.

## **Why M.A.B.A.?**

- (1) M.A.B.A. operates on a defined set of rules which can be seen by anyone considering play in the league. Every attempt is made to be consistent in the application and administration of the rules. Decisions are made with your input through an accessible Board of Directors and we encourage your input via [mababaseball2020@gmail.com](mailto:mababaseball2020@gmail.com). While not all suggestions may ultimately be incorporated, be assured, they will be at the very least, considered. Some of our best enhancements have come from the suggestions of our members.
- (2) M.A.B.A. is a good value. We try very hard to provide a good league for the money. We offer a structured, organized league with not only regular league play but an annual tournament which is paid for completely by the organization. In fact, most tournaments charge more money for a two game minimum of weekend baseball than we charge for our entire season of play. And, most only give out medallions or possibly a team trophy to the first and second place teams. For less money, we offer a full season of play, a fully funded end of season tournament which includes both the Champions and Runner-Ups receiving individual trophies for every division in the league. In addition, we give every player in the league a custom tee shirt designed by a professional graphic artist themed on the Annual Tournament (other tournaments are going to charge \$18.00-\$20.00 for a shirt). The tees have always seemed to be a big hit with the players, we will continue to provide them each season. In addition, registration fees pay for a fully funded Annual Awards Banquet for 1200-1400 people where individual trophies, recognition and prizes are given to all players from the first and second place teams from the season. At the banquet, we have an annual telescreen show highlighting the teams at the event from the regular season.
- (3) M.A.B.A. offers competitive baseball with different divisions so teams can be matched against others of their level of play. We offer Division 1 baseball for our most competitive teams and Division 2 for teams that feel that they may not be ready

for Division 1 level of play. By using divisions, we limit the number of “blowout” games and offer parity through level of play. Our top teams can and do compete with any team from any league but we do not see the necessity to have a drastic imbalance in level of play within a specific age group which does neither team any good. Our intent is to offer competitive baseball within a rewarding environment while giving the players an opportunity to develop their baseball skills.

- (4) M.A.B.A. is run as a corporation with an active Board of Directors. Decisions are not made by one person or just a couple of people, changes are discussed, and rules are defined and only changed when absolutely necessary.
- (5) We do not and have never threatened a team that has decided to try another league. In fact, we have defended individual teams that were forced to play in a specific league against their will. Teams should be allowed to make their own decisions without threats from league officials that if they leave for a season, they will no longer be welcome to play in the league again.

Many people volunteer and work very hard to make M.A.B.A. a quality league for the kids that play here. If you choose to give us a try then we welcome you, if you have chosen to try another league then we wish you the best of luck in your endeavors. If you have any specific questions or concerns, feel free to email them to [mabainfo@verizon.net](mailto:mabainfo@verizon.net) and we will make certain that your question gets to the appropriate person and is addressed in a timely manner.

# Coaches Instructions

**Field Availability:** You will need to email the coordinator your field availability, if none is offered; the assumption will be that you have **no field** and we will schedule you for all away games. We try to be fair in scheduling, but please remember that several organizations have multiple teams on a given field, often in different age groups, therefore we cannot guarantee that you will have the same number of home and away games if you have restrictions, we will do our very best.

**Contact/Rosters:** You will need to email your contact information and rosters to your age coordinator, (remember, you may use no player in any game that has not been entered into the system by the coordinator).

**Player ID's-** Make certain that all players have obtained a valid, government issued ID and have it present at all games. No Birth Certificates are required.

## Website Use

### **Entering Field Directions:**

*Instructions to follow.*

### **Schedule Changes/Rain Outs:**

All rain out offers must be made within the timelines described in the M.A.B.A. rule set. In addition, all offers should be made via email and the age coordinator must be copied on all schedule changes and/or make-up game offer and declines, or acceptances.

### **Any Variation to Any M.A.B.A. Rule/Policy**

If you are agreeing to ANYTHING outside of the rule set of the league, make absolutely certain that both managers sign the opposing book signifying the agreement. If, no signatures or only one signature is present, we will enforce the M.A.B.A. rule that is appropriate.

### **Managers Will Be Held Accountable**

**The manager is responsible for the actions of his entire team and will be held accountable by M.A.B.A. for any inappropriate incidents that may arise. If, anyone on your sideline is acting in a manner that is improper, you need to get the situation under control as quickly as possible. Anyone that is ejected from any game must leave the entire facility immediately or the team will be awarded a forfeit. Any person (other than a player) will be forbidden to attend the following two games in their entirety. PLAYERS are required to attend the following two games in full uniform and watch the games from the sidelines (not in the dugout).**
