

# DIVISION PLACEMENT

[WWW.SANDSTORMLACROSSE.COM](http://WWW.SANDSTORMLACROSSE.COM)

THIS IS A GUIDE ON HOW TO SELECT YOUR DIVISION PLACEMENT DURING REGISTRATION. OUR GOAL IS TO CREATE DIVISIONS THAT WILL ALLOW FOR ALL TEAMS TO HAVE A COMPETITIVE TOURNAMENT WEEKEND.

Choosing your division during registration is NOT final so do not feel the need to over analyze at this time. We fully understand your rosters & team competitiveness levels may change between now and January.

Closer to the tournament date, and prior to creating a tournament schedule, Sandstorm will share a google doc with a list of all divisions & attending teams. At that point we will allow all directors/admins to confirm that your team(s) are either placed correctly or request a division change.
