

YOUTH BASEBALL & SOFTBALL

Sponsorship Opportunities

Team up with Skiles Test Youth Baseball and Softball for our 59th season in 2023!

Skiles Test Baseball League, Inc. operates a non-affiliated youth baseball and softball league for players age 4 to 13 years old in North East Indianapolis. The league does not have any residence requirements and attracts players from all North East areas including but not limited to: Lawrence Township, Washington Township, Fishers, Carmel, McCordsville, etc.

Skiles Test Youth Baseball and Softball has welcomed players and families for over 50 years. Our families play at Skiles Test and live and work in our community. We are happy to partner with so many local businesses and establishments to bring baseball and softball to our youth. Skiles Test operates completely on family and partner involvement. Nearly all of work performed to set the game day atmosphere at Skiles Test from preparing the fields to working the concession stand is all done with volunteer time.
