

## 2019 Manager All-Star Letter of Interest

**Must be submitted to an MGS Board of Director no later than April 19, 2019**

To the MGS Board of Directors,

This is a letter of interest which acknowledges to the MGS Board of Directors/All Star Committee that I would like to be considered for a manager position for an all-star team following this 2019 recreational league.

I understand that by submitting this letter of interest that this letter alone does not guarantee me a position as manager of an all-star team and that it will only serve as a notice of interest to the MGS Board of Directors which will be considered. I understand that the MGS Board of Directors will make the final determination as to which manager is selected to manage each team.

I further understand that by submitting this letter of interest I am confirming to the MGS Board of Directors that I am committed to serving as manager for an all-star team for the summer and that I will conduct practices regularly, and that I will ensure all fairness to all players on my team.

If I fail to fulfill my commitment this All-Star season (i.e. quit the team, am removed from the team, or in any way the Board deemed a violation of contract), I understand that I will not be eligible for All-Star consideration for the following season.

Also, I understand that I am responsible for raising funds necessary to provide extras above and beyond what the league provides for players and that I will abide by all MGS Rules and Regulations as it relates to all money issues and distribution and accounting of money thereof. If I fail to follow policies I can be removed as a manager/coach and will be held responsible for all money owed to MGS.

Additionally, I understand that if I am selected as an all-star manager that I will be required to 1) attend Allstar tryouts on April 28th 2) attend league/district all star meetings and 3) that myself and my entire coaching staff will be required to be ACE certified at our expense before participating in any tournaments.

Finally, I understand that I am a representative of MGS, as are my players and parents and that I will ensure that a positive representation is made of our league at all tournaments and that I, along with my coaching staff will be respectful of all tournament directors, umpires, and other league officials. I am to report any problems I may encounter to the President or Vice-President of MGS immediately for assistance in resolving any problems.
