

Interested in Working or Volunteering at Vancouver Minor Baseball Association's (VMBA) Food Concession?

One of the great aspects about Nanaimo Park is the food concession that we strive to operate during most baseball games and special events. We stock the Concession with a variety of fast food favourites.

Location: Our Concession is located near 46th Avenue and Nanaimo Street.

Volunteering or Working in Our Concession: You will be required to prepare fast food, serve customers, handle cash, grill burgers & hot dogs using a grill or BBQ, wash dishes and clean & stock shelves. If you are working at an event with more than one person, these tasks are shared.

Training and Food Safe: If hired, formal training is provided. Afterwards, you may be required to work solo shifts if you possess a valid Food Safe Certificate. Those without Food Safe can still work events with another worker who is certified. Events involving multiple staff members generally occur on weekends.

Shifts and Wage: *Shifts are typically 3 to 4 hours on weeknights. Weekend shifts are based on the number of games that are taking place that day, or however long you had agreed to work with your scheduler. The hourly wage will be discussed during your interview.

Shift Availability: Shifts are assigned based upon VMBA's needs. Tournaments and special events are always busy and extra help is needed. Shift availabilities are typically communicated through email between the scheduler & staff.

Shift Confirmation: Your shift(s) are only confirmed once our scheduler has finalized the schedule with the workers / volunteers. If you receive email confirmation, you are not assigned a shift. If you need to change or cancel a shift, contacting the scheduler 48 hours prior to shift start is required.

*VMBA operates the Concession based on games or events taking place at Nanaimo Park. If your shift is canceled or shortened (e.g., due to bad weather), you will be notified by email, text or phone. You will only be paid for the time worked, but travel time may be compensated if worker is en route.

If this opportunity interests you, please email a resume to:
