

Wolfpack Lacrosse Club Coaches Code of Conduct 2013

As a Wolfpack Lacrosse Club coach, you are in a unique position to influence the behavior and attitude of your players. You are expected to be a positive role model and lead by example. It is your responsibility to teach good sportsmanship, fair play, and team work. In an effort to achieve the greatest possible positive environment for the club, coaches, our players, and parents, we have established this coach's code of conduct that all of our lacrosse coaches must sign prior to coaching our teams at Wolfpack Lacrosse Club.

The coach shall be aware that he or she has a tremendous influence, for either good or ill, on the development of a player and, thus shall never place the value of winning over the value of instilling the highest ideals of character.

The coach will uphold the "Honor of the Game" and will strive to set an example of the highest ethical and moral standards.

The coach shall take an active role in discouraging the use of alcohol, tobacco and drugs. The coach will know that they are role models on and off the field and need to be aware that their actions are always observed by players and parents.

As a coach of Wolfpack Lacrosse Club you are not only representing yourself but also the Wolfpack Lacrosse Club and our community so we expect you to be professional during all practices, club events, and tournaments we participate in.

I understand that if I fail to abide by the above conduct, or any other rules that may apply, that I may be subject to disciplinary action that could include, but not limited to:

- . A written warning from the Wolfpack Lacrosse Club board
- . Temporary suspension
- . Season suspension
- . Loss of future coaching privileges with Wolfpack Lacrosse Club
