

Preliminary List of Eligible Electric Pressure Cookers

The following products are nominees for the 2021 Global LEAP Awards Electric Pressure Cooker Competition. These products were approved for inclusion in the Competition following an informal, preliminary review and are now undergoing laboratory testing. Their inclusion in the list below does not constitute a guarantee of their rated performance and should in no way be construed as an endorsement by Global LEAP or its partners. Nor does it constitute that the products have Global LEAP Awards Winner or Finalist status. Winners and Finalists of the Competition will be announced in February 2021 on GlobalLEAPawards.org.
