In Lithuania, Rally raid competition was launched in 2018. The ATV class race started in 2019. Since then, Laisvydas Kancius participated in the Lithuanian Rally Raid Championship and Cup competition. In the annual standings, after three stages, he took the third place. This year, the competition changed its definition and became the Lithuanian Baja Championship and Cup. In the first stage, which took place on 7-8 February this year, Laisvydas Kancius won third place. For this year, the Lithuanian Baja Championship, are scheduled three more stages in which Laisvydas Kancius are planning to participate.

Participation in the Dakar 2021 will be an exciting challenge for Laisvydas, for which, in my opinion, he is prepared. So, I wish him every success in achieving his ambitions.

THE HEAD OF KETURRAČIŲ SPORTAS
PRESENTATION ABOUT MYSELF AND
ORGANIZATION

I've been around sports since I was a teenager. For several years I became interested in and engaged in weightlifting. But one day my eye was caught by motorsport and so far it is the great passion of my life.

I have established a non-profit organization KETURRAČIŲ SPORTAS (QUAD SPORT) aimed at promoting the name of Lithuania in the world and developing and promoting the quad sport in Lithuania.

With support from several companies including LAISKA, there is specially made DAKAR Rally Quad.

DAKAR Rally is very popular in Lithuania, but there is no representative of Quad classes either in Lithuania or probably in all Baltic countries. Therefore, my participation in the competition is a great opportunity to promote Quad class competitions in the Baltics Countries and to stimulate interest in them.

I have found a real passion for motor sport and I hope it gains impressions not only in Lithuania, but all over the world.

THE HEAD OF KETURRAČIŲ SPORTAS

If you wanted to contribute to my participation in the competition and give me the opportunity to show my psychological and physical abilities and support the promotion of quad sports, it would help to move closer to the goal-participation in international competitions at DAKAR 2021.
