How to use this lesson plan

This plan takes you on an exciting journey with plenty of links through to amazing online content so no need to print. This lesson plan is suitable for anyone but we recommend it for ages 11 to 14. It's a lot of fun to go on this journey with parents, teachers or your friends, but it is designed so you can explore independently at your own pace. There are different types of questions to answer: can you discover, explore and invent? We think so.

Check in with your parents or teacher if you need to, but you'll need a tablet, computer or smartphone. You can do this Learn Anywhere Lesson on almost any device as long as you can get online and use a web browser.

There are 2 Chapters:
Chapter 1 - Kenya Discovered 60 minutes
Chapter 2 - Extra Discovery 45 minutes

You'll see some helpful signs on the way:

Kenya - from the cradle of mankind to superheroes.

Kenya, or more properly the Republic of Kenya, is a country in East Africa.

It's big - in the top 50 largest countries in the world and nearly 50 million people call it home.

And like most countries, these people come from many different cultures and different communities. In Kenya, there are 44 recognised communities, all different, but all Kenyan.

We'll be exploring that later on.

East Africa is often referred to as the cradle of mankind. We know from fossils found here that East Africa is one of the earliest regions where humans lived. We can see evidence of long distance trade and tool-making from these early human lives. And Kenya is home to many superheroes. We'll find out about them later and you get to pick which one you'd like to be...

Kenya is a country rich in different cultures, languages, and traditions. It is also very beautiful. Let's start by exploring the landscapes of Kenya.

You can move around in each picture. Take notes, there's a quiz afterwards
Mini Quiz

This is part of your quest to be a Kenyan superhero.

Question 1: How many wildebeest does the Masai Mara have?

Question 2: How many Northern white rhinos are left in the whole world?

Question 3: What is the special thing about Tsavo East National Park?

Question 4: What species does the skull found in Sibiloi National Park belong to?

Question 5: How tall is Mount Kenya?

Bonus question - is Mount Kenya the tallest mountain in Africa?

Answers at the end - no peeking.

Now let's look closer at what it means to be "a Kenyan". Kenya has 44 recognised communities with different traditions. Click here to explore 10 objects which bring them together - from drums to masks to headdresses to aprons to beads.
We've looked at how different cultures and communities make up the modern country of Kenya. And we'll explore later some of the many languages that are spoken in Kenya.

But what does it mean to be "a Kenyan"?

Ngũgĩ wa Thiong’o, born in January 1938, is a Kenyan writer, professor, and activist. He describes Kenyan people like this:

"Beautiful. Talented. Hardworking. Enterprising. The country is a vibrant space of the different cultural streams of African, Asian, and European origins. Its landscape and history have become part of the global imagination."

And his approach to his identity like this:

"I am Gĩkũyũ, meaning I share a certain history with all who call themselves Gĩkũyũ, but I am also Kenyan, meaning I share a geographic and historical space with all other Kenyans. I am African. I am black. I’m a citizen of the world."

As you can see, his identity has many layers.

What about you - what nationality are you? Can you describe your identity, following how Ngũgĩ wa Thiong’o did it?
Superhero time. Myths and legends also bring people and communities together and Kenya has some amazing superheroes. Here we find about 21 "Shujaa" heroes. Shujaa is a Swahili word meaning "brave". And these heroes certainly are. Take your time to read their stories as you will be tested afterwards. Click here.
Did you learn all about the 21 Shujaa superheroes? Now it's your turn. Click here to find out which superhero you would be.
Questions for Chapter 1

Let's finish this chapter with some questions. When you Discover, you are comprehending and remembering. When you Explore, you are really able to understand it and think it through. When you Invent, you are able to comprehend, understand, remember, analyse and do something cool with your new knowledge.

Discover:
What is the "siwa"?

Explore:
Why is it important to think about how our own identity is formed by our nationality, upbringing, community, education, etc?

Invent:
Create your own superhero - what powers would you have and what would you do with them? You can create a picture or write a short description.
