

# PIZZERIA Portofino

## Experience

Pizzeria Portofino is a sun-drenched casual restaurant located directly on the Chicago riverfront. With its hand-stretched pizzas, coastal wines, expansive all-weather patio and breezy decor, guests are instantly transported to the Italian Riviera. Pizzeria Portofino is open daily for lunch and dinner. The menu showcases imported ingredients from the Mediterranean as well as local Chicago artisans. The restaurant offers accommodations for large parties as well as a Marina Menu – designed for guests to pull up their boats and carry out signature menu items for their day on Lake Michigan – as well as boat docking for those dining in.

## Cuisine

At the heart of the menu are hand-stretched pizzas made with stone-ground Midwestern grains – from the simple *Margherita* with crushed Campania tomatoes, imported buffalo mozzarella and fresh basil leaves to the *Black Truffle & Three Cheese* with housemade ricotta and freshly shaved Italian truffle. Charcoal grilled seafood rounds out the menu in options such as *Portuguese Octopus*, *Mediterranean Branzino*, and *Bar Harbor Mussels*.

## Beverage

Pizzeria Portofino features refreshing cocktails and spritzes including modern takes on the classic *Venetian Spritz* and the *Frosé All Day*. Got a group? Large format versions of the signature cocktails and spritz available as well! In addition, hand-selected coastal-Italian wines by Richard Hanauer, RPM's Beverage Director and a *Food & Wine* magazine Sommelier of the Year.
