Sushi-san receives daily deliveries of the freshest fish and seafood through a direct partnership with the Yamasaki family at the Toyosu Fish Market in Japan. Partnerships such as this help the team to achieve their ultimate goal: To source and serve the best ingredients in the world utilizing simple techniques. The menu offers a variety of maki rolls and San-sets like the Mr. Maguro and Megatron, both of which highlight Balfego bluefin tuna. Binchotan charcoal-grilled vegetables and meats, such as Blistered Shishito Peppers, Miso Glazed Salmon, and Vietnamese Pork,as well as crispy tempura and sizzling rice plates, are best paired with a glass of sake or ice-cold Japanese beer. Desserts such as the signature E-mochi and Nama Chocolates enhance the dining experience.
