

THE DALCY EVENT HALL

EXPERIENCE

Rustic meets elegance at The Darcy, a private event hall in the historic Fulton Market District of the West Loop. The 6,000-square foot venue includes original design elements from the historic landmark building, including brick walls, wooden and steel trusses and arched windows, and is lined with velvet drapes, ivory sheers and Italian porcelain floors. The menu features modern American fare from Chef CJ Jacobson, and a well-curated wine and cocktail program from Lead Mixologist Liz Pearce and Lettuce Entertain You Wine Director Ryan Arnold.

CAPACITY

With access to ABA's 4,000 square foot rooftop patio, the open and transformable space can accommodate up to 600 guests and is the ideal setting for cocktail receptions, weddings, social gatherings and corporate events.
