# TACOS *and* MARGARITAS

## CUISINE

El Segundo Sol offers a menu of authentic Mexican staples featuring fresh guacamole and signature tacos made from top-quality ingredients. Fresh corn tortillas are made-from-scratch, hand-pressed daily and griddled fresh to order. Delicious menu highlights include smaller Mexican bites like homemade tamales and traditional entrées such as fajita platters, enchiladas and carne asada. Sip a cocktail, grab a taco and enjoy the view of the Strip at this Vegas spot. Plus, the Street Bar offers a chance to enjoy a margarita on the go.

## BEVERAGE

To complement the menu, El Segundo Sol offers an extensive selection of Mexican beer, made-to-order margaritas and more than 100 specialty tequilas. The frozen margaritas are rumored to be the best in Vegas, including traditional favorites, as well as unique flavors such as cucumber-mint and prickly pear.
