

CUISINE

Antico Posto offers a menu that is inspired by the Tuscany and Bologna regions in Italy. The rustic Italian restaurant specializes in house-made pasta dishes, hand-stretched brick-oven pizzas, risotto, gnocchi, and hot and cold antipasti. For a sweet finish, guests can enjoy rotating flavors of house churned gelato. Signature items include Chicken Meatballs with arrabbiata sauce and basil, Margherita Pizza with mozzarella, basil, tomato sauce and pesto, Gnocchi Funghi with brown butter, crispy sage and parmesan, and Baked Eggplant Parmesan with fresh mozzarella and garlic-tomato sauce.

BEVERAGE

Antico Posto's wine list features over 50 wines available by the bottle and the glass. The wines work their way down from Spumati and Rosatos to Biancos and Rossos, with a wide variety of Italian options, in addition to select options from California and Washington.
