THE
DALCY
EVENT HALL

EXPERIENCE

Rustic meets elegance at The Dalcy, a private event hall in the historic Fulton Market District of the West Loop. The 6,000-square foot venue includes original design elements from the historic landmark building, including brick walls, wooden and steel trusses and arched windows, and is lined with velvet drapes, ivory shears and Italian porcelain floors. The menu features modern American fare from Chef CJ Jacobson, and thoughtfully-curated wine and spirit packages.

CAPACITY

With access to Aba's 4,000 square foot rooftop patio, the open and transformable space can accommodate up to 300 guests and is the ideal setting for cocktail receptions, weddings, social gatherings and corporate events.
