CHINESE AND THAI

CUISINE

Big Bowl serves up Thai and Chinese cuisine using the freshest, highest-quality ingredients. Big Bowl makes their own curries, roasts their own chilies and spices, which are always ground daily. The menu features Chinese favorites like Kung Pao Chicken, Prime Beef & Broccoli, Sweet & Sour Pineapple Shrimp and Slow-Roasted Barbecue Pork Fried Rice, along with Thai specialties like Panang Curry Chicken, Vegetable & Tofu Pad Thai and Red Hot Pepper Chicken Noodles.

BEVERAGE

The drink menu features cocktails made with fresh-squeezed juices, and housemade mixers. Big Bowl also offers a selection of craft beer and wine from around the world. We also offer fresh non-alcoholic options like homemade ginger ales and lemonades like Hibiscus Lemonade and Pomegranate Ginger Ale.

EXPERIENCE

In addition to the full menu of all made-from-scratch Chinese and Thai, Big Bowl's signature stir fry bar gives guests the opportunity to fill up their bowls with fresh vegetables, select their sauce, protein, noodles or rice and the chefs will stir fry it and have them brought right to your table. The restaurant is also happy to accommodate guests with dietary restrictions and offer several options for vegetarians, vegans and gluten-free diners.
