

# El SEGUNDO SOL<sup>®</sup>

TACOS & MARGARITAS

## FOOD

El Segundo Sol's menu represents Mexico's vibrant cuisine and the restaurant team's dedication to intentional service for each guest. The guacamole is made fresh for every order and is customized to the guests' preference of mild, medium, or hot. Signature tacos are served with corn tortillas made from scratch, hand-pressed daily, and griddled fresh to order. Choose from street-style tacos like the Carne Asada served with spicy salsa molcajete and avocado, or Baja-style with the crispy, golden Mahi Mahi served with chipotle crema, and a three-chile pepper coleslaw. From the Chicken Taquitos and Charred Octopus appetizers to the Watermelon & Cotija Ensalada, and the Pollo al Pastor Entree, the menu embodies the range of flavors and ingredients Mexico offers.

## BEVERAGE

Margaritas, craft cocktails, beer, and sangria, make up El Segundo Sol's beverage menu. Choose from more than 100 specialty tequilas and enjoy your margarita on the rocks or frozen. Flavors include classics from lime and strawberry to more adventurous options like Azulito (blueberry) and Prickly Pear. The restaurant offers an extensive selection of Mexican beer, as well as a "Tap o' del dia," a changing handle available on draft.

## EXPERIENCE

Located at the Fashion Show Mall across from The Wynn, El Segundo Sol draws inspiration from the relaxed allure of Tulum and the timeless charm of Mexican haciendas. The space is adorned with woven light fixtures, weathered wooden beams, and rustic stone walls, all complemented by lush greenery that highlights the bohemian spirit of Mexico's coastline. The indoor space seats 175 guests with its main dining room, high-top tables, a bar, and booth seating that is perfect for larger parties. Dine al-fresco all year round on the patio with both table and bar seating available.
