

WILDFIRE®

STEAKS, CHOPS & SEAFOOD

Cuisine

Wildfire specializes in steaks, chops & seafood, along with an assortment of fresh salads and sandwiches. Our signature dishes include horseradish-crusted filet mignon, Wildfire chopped salad, roasted prime rib of beef and cedar-planked salmon. The lunch menu features pizzas and pastas from our 600°F oven, prime burgers and more. The dinner menu features steaks & chops hand-cut by Stock Yards Packing of Chicago and aged 21-28 days until they reach their ultimate tenderness and taste, brushed with our seasoning blends and broiled to your preferred temperature. Signature crusts and sauces are available to enjoy on the steaks. Fresh fish and seafood is flown in daily from both coasts. We have signature combination plates available that allow our guests to enjoy a variety of our steaks, chops and fresh seafood. All of our dinners come with the choice of a side to accompany. Homemade desserts are available to end the night right.

Beverage

An American-influenced wine list hand-selected by Wine & Spirits Director, Brad Wermager, featuring more than 150 bottles. Mixologists are brought in from around the country to help develop the signature 1940's-inspired martini and cocktail menu. In addition, wine, beer and martini flights are available.

Experience

The vintage black and white photos complete the atmosphere at Wildfire. Dine in to take in the smells from the 600°F oven or watch our chefs in action in our open kitchen. Relax in a comfy booth, indulge on a signature crusted steak or oven-roasted seafood, and sip on a martini flight, handcrafted beer, or one of our fabulous cocktail creations.
