BURGERS FRIES SHAKES

Cuisine

The easy-to-navigate menu is comprised of juicy Midwestern beef burgers, hand-breaded chicken sandwiches and tenders, fries and low-fat ice cream selections including chocolate, vanilla and swirl cones, dipped cones, sundaes, floats and shakes.

A “secret” menu keeps guests guessing with revolving dishes such as “Roman- Style” (grilled cheese in place of the bun) or the “Barn-Yard Burger” with a burger, chicken breast, bacon and American cheese. Enjoy your burger gluten-free by ordering it “salad-style” and the buns will be replaced with fresh lettuce leaves.

Beverage

Shakes are the star with Vanilla, Chocolate and Strawberry milkshakes in constant rotation. A special Shake of the Month is available with seasonal flavors ever rotating.
