

2026 ANNUAL CONFERENCE SPONSOR & EXHIBITOR PROSPECTUS

DRIVING VALUE FOR LOCAL COMMUNITIES

20 - 21 OCTOBER 2026

Doltone House, Darling Island, Sydney

ACKNOWLEDGEMENT OF COUNTRY

We acknowledge the Traditional Custodians of the lands on which we work, live, and travel. We pay our respects to Elders past, present and emerging, and recognise the enduring connection First Nations peoples have to the land, waters, and culture.

A message from our CEO

We are excited to announce that the Local Government Procurement (LGP) Annual Conference will take place on 20th–21st October at Doltone House, Darling Island Sydney.

Following overwhelmingly positive feedback, we are returning to this premium waterfront venue to once again connect local government professionals with industry-leading suppliers.

This year's conference will bring together professionals from procurement, engineering, sustainability, governance, and executive leadership across NSW councils - alongside our network of Approved Contractors and private sector experts.

I invite you to join us as a sponsor and exhibitor. The LGP Annual Conference offers a unique platform to showcase your services, build relationships, and position your brand as a key partner to local government.

We look forward to welcoming you to what promises to be an outstanding event.

Luke Kenny
Chief Executive Officer
Local Government Procurement

Why be a part of the LGP Annual Conference

- Direct access to over 130 key decision-makers from local government and the private sector
- Increase brand visibility among procurement, engineering, governance, and leadership teams
- Showcase your products and services to an engaged, targeted audience
- Strengthen existing relationships and generate new leads
- Position your organisation as a trusted partner to NSW councils
- Gain valuable insights into sector trends, challenges, and priorities
- Stay ahead of competitors through strategic networking opportunities

A thoughtfully designed program ensures high-value exposure, giving sponsors multiple opportunities to connect with decision-makers throughout the event.
