

**Face Value Dental**  
**IV Sedation Waitlist Procedure.**

This is to confirm that you have now been placed on the Face Value Dental- IV Sedation waiting list to undergo your dental treatment.

**What happens now?**

Our IV Sedation days with visiting anaesthetist, Dr. Oscar Cifuentes, usually occur once per month, generally on a Monday or Wednesday morning. Due to Dr. Cifuentes conflicting schedule, we unfortunately *cannot* request a specific time or date.

***N.B- We strongly recommend taking the next available date that is offered to you by our friendly team as the next available date and time cannot be guaranteed.***

Once we have 3 or more patients on our IV Sedation waitlist, the next session will be allocated to us by Dr. Cifuentes. One of our friendly team members will contact you to organise your appointment when this occurs.

However, should you experience an onset of pain or your current dental condition deteriorates, please contact us immediately at the clinic.

If you decide not to proceed with your treatment under IV Sedation for any reason, please contact us immediately so your name can be removed from the Waitlist and your spot can be allocated to another patient. Please also let us know if your contact details change in this time.

If you have any queries about the Face Value Dental's IV Sedation Wait List or pre-admission procedures, please contact our friendly team on 07 3221 0677.

Kind Regards,

Katrina Miller

Face Value Dental- Practice Manager
