

# Grazing Platters and Canapes

An ideal way to celebrate your occasion with us is to select from our canapes or grazing platters, or a mix of both.

On the following pages we detail these options and pricing.

For canapes, you need to select a number of menu items and with the grazing platters these are standard platters with set portions.

If you prefer, we can tailor a package to suit your needs. Plus, we do gluten free options\*.
