# Dot2Dot

Draw a line from Dot2Dot to draw a manatee - Florida's state marine mammal! Manatees prefer calm, shallow water and are sometimes called "sea cows." They're mammals, just like humans!

Hint: Stop at each star (★), then skip to the next number and start your line again.

When Sofia and I first saw this underwater animal, it looked like a cross between a seal and a hippopotamus. It's called a manatee and has gray wrinkled skin, front flippers and a powerful tail.
