

## Trace a Sculpture

The art of sculpting has been popular in Europe for thousands of years. One of the greatest sculptors in European history was Michelangelo. Trace one of his sculptures below.

ART

**Fun Fact:** Michelangelo made this famous sculpture as a memorial to Lorenzo de' Medici, a ruler in Florence, Italy in the mid-1500s. Lorenzo de' Medici was popular for supporting art in Florence. Toward the end of his life he opened a sculpting school where Michelangelo began studying at 15 years old.
