Let's Draw a Crocodile!

Little Passports®
SUMMER CAMP *in a Box*

Fun Fact: The Everglades is the only place in the world with both alligators and crocodiles.

1 Lightly draw a large oval. Then, add an upside-down V-shape that will be the tip of the tail.

**2** Draw curved lines to form the neck and snout of the crocodile.

**3** Add a wavy V-shape to form the mouth, and two half circles for eyes.

**4** Draw two long, curved lines to create the tail. Then add the arms and legs.
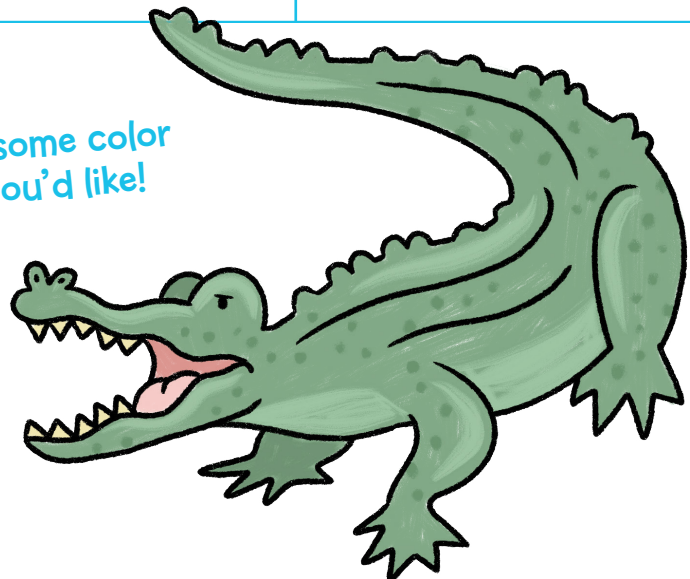

5 Give the crocodile some feet by drawing star-like shapes.

**6** Add an eye, a tongue, and sharp teeth.
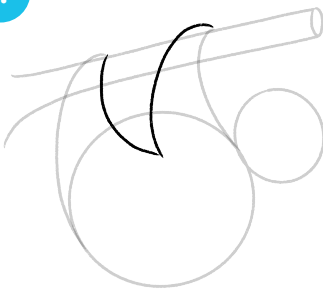

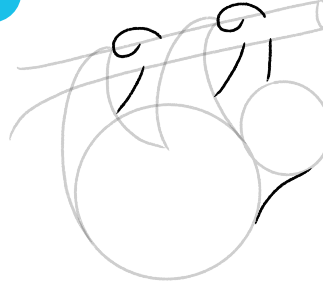

7 Trace over your lines. Add some bumps for more detail!

Add some color if you'd like!
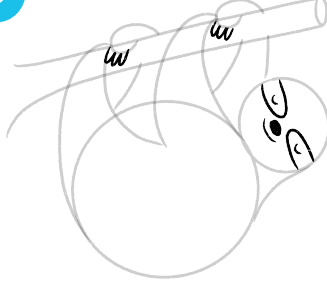

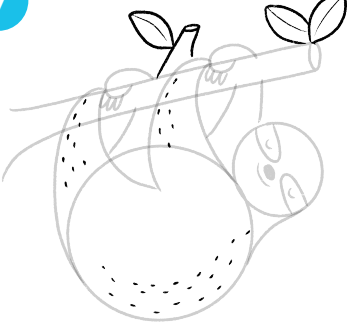

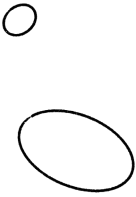

Let's Draw a Sloth!

SUMMER
CAMP
in a Box

Fun Fact: The maned sloth is a three-toed sloth that can only be found in Brazil.

1 Start with a long branch for the sloth to hang from.

2 Lightly draw one large circle and one small circle below the branch.

3 Add two curved lines connecting the circles to the branch.

4 Draw a curved V-shape to create the sloth's arm and leg.

5 Add in the other arm and leg. Then, draw a slightly curved line to connect the head and body.

6 Draw two eyes, a nose, and a peaceful grin. Don't forget the claws!
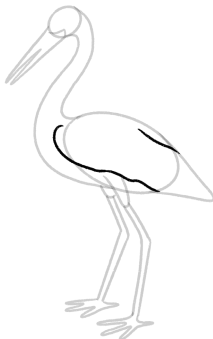

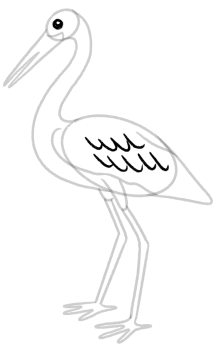

7 Add some fur and a few leaves.

8 Trace over the lines you want to keep.

Color it in if you'd like!

Let's Draw a Crane!

Little Passports®
SUMMER CAMP in a Box

Fun Fact: In Japan, the red-crowned crane is known as the *tanchōzuru*.

1 Start with a small circle slightly to the left of your page. Then draw a tilted oval below it.

2 Connect the head to the body with two curvy lines. Add a "V" shape to form the tail end.

3 Draw a pointy beak and two "U" shapes at the bottom of the oval body.

4 Draw two bent legs like so.

5 Add two webbed feet.

6 Draw curved wavy lines to form the shape of the folded wing.

7 Add an eye and some feathers.

8 Trace over the lines you want to keep. Finished!

Color it in if you'd like!

Let's Draw a Chimpanzee!

**Little Passports®**
SUMMER CAMP in a Box

Fun Fact: Monkeys have tails, but chimpanzees do not.
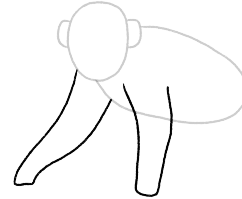

1
Start with an oval head.
Add two half-circles for ears.

2
Draw a sideways oval
to create the body.

3
Draw long, curved lines to form
the chimpanzee's arms.

4
Now add the two back legs.

5
Add the hands and feet like so.

**6**
Draw a curvy shape to form
the chimpanzee's face.

7
Draw two eyes, a nose, and a
mouth. Add zigzag lines along
the head and body to create
a fuzzy look.

8
Trace over the lines you want
to keep. Well done!

Add color to make
it come to life!

Let's Draw a Kangaroo!

Fun Fact: The red kangaroo can travel 25 feet in one leap!

1 Lightly draw four circles. They will form the shape of the head and body.

2 Connect the circles with four curved lines.

3 Add two ovals for paws, and two hot-dog shapes for feet.

4 Add curvy lines to form the arms and legs.

5 Add pointy ears and a long swooping tail.

Color it in if you'd like!

6 Add an eye and nose.

7 Trace over your light lines. Try adding zigzag lines for a furry look.

Let's Draw an Anglerfish!

Little Passports®
SUMMER CAMP *in a Box*

Fun Fact: Adult female anglerfish have an organ called an esca, which lights up to lure prey in the dark.

1

Start with a large circle. Then, add a small, curved line just to the right of it.

2

Draw a curved shape to create the tail. Add a wavy "V" shape to form an open mouth.

3

Connect the tail to the body. Create the lips by connecting the mouth shape to the circle.

4

Draw a curved line and an oval coming off the top of the anglerfish, to make the esca.

5

Add a few more fins and a half circle at the edge of the mouth.

6

Draw an eye and some super sharp teeth.

7

Add some detail to the fins and make the light glow!

8

Trace over the lines you want to keep. All done!

Add some color if you'd like!

Let's Draw a Weddell Seal!
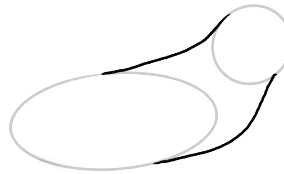

Little Passports®
SUMMER CAMP *in a Box*

Fun Fact: Grown Weddell seals can swim as deep as 2,000 feet.

1

Start with a long oval in the middle of your page. Then, add a smaller circle to the right, above the oval.

2

Connect the head to the body with two curved lines.

3

Add a sideways "M" shape to create the seal's tail.

4

Draw two curvy "V" shapes to form the seal's flippers.

5

Add two eyes and a snout.

6

Draw a mouth and whiskers. Add lines around the head and tail for a wrinkly look.

7

Trace over the lines you want to keep. Very cute!

Color it in and add some spots!
