Little Passports
A Global Adventure

Across and Down the World

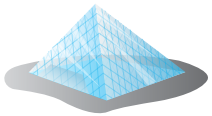
To complete this crossword puzzle, read the clues and use your Little Passports wall map (or any other world map) to figure out which continent names go in the spaces.

ACROSS

2. Uluṟu is a giant sandstone rock formation. It stands near the bottom of the Northern Territory of an island that is both a country and a continent.

4. Emperor penguins live on this icy continent at the bottom of the Earth.

6. The Louvre Museum in Paris, France is home to the *Mona Lisa* and other famous works of art.



7. Nazca Lines are enormous ancient line drawings in the Nazca Desert of Peru.

DOWN

1. The Empire State Building in New York City was the world's tallest building for more than 40 years after it was constructed in 1939.

3. The Great Wall of China was built in ancient times to keep out invaders, but now it draws millions of visitors a year.

5. Victoria Falls is an impressive waterfall on the border of the countries Zambia and Zimbabwe.
